January 2018

Merry Christmas From Faith and Hope Primary!

What an amazing year 2017 has been for Together in Sport Rwanda!

As it comes to the end of the year, we would like to thank everyone who has been a part of helping us make a difference to the pupils and community of Faith and Hope Primary School. To our volunteers, our Friends of Faith and Hope, our corporate partners and to each and everyone of you who follow our updates and stories and help spread the word of the work that we do- Thank you so much for your continued support ❤️❤️ Looking forward into 2018 we have an exciting year ahead with many volunteering trips, and some new exciting projects to move forward to increase the impact we are making at Faith and Hope Primary.

It brings us so much happiness to know that we are ending the year having reached our target to build a fresh water well at Faith and Hope Primary- in Feb 2018 3 of the charity trustees will be heading out to Rwanda to get this project started!

For now, our lovely pupils at Faith and Hope wish you all a 'Marry' Christmas and

Happy New Year!

Lloyds TSB
Foundation for Scotland

Welcome 2018

As usual there will be a lot happening at Headway in 2018 and you can look forward to some good days and nights, although looking at the programme for January you would not think this. Some meetings have still to be confirmed yet and we thought rather than give you some dates we would just advise the dates as they come along and you can fill in your diary. The following two events are however confirmed. There will of course be meetings on the appropriate days each week during the month.

The Annual Burns Supper will again be held at Haddington and this year will fall on Wednesday 24 January to which all service users are welcome. So come along and enjoy.

Carers in the Café on Monday 15th January where we will have a chat with Julie Oswald from Carers of East Lothian about Short Breaks.

Outings & events for the coming year will announced shortly

Sadly there were an alarming number of complaints at the end of the year regarding cheating at dominoes. This practice cannot be tolerated at Headway and we could name and shame but we have decided against this. Those who are guilty will know themselves and there is a simple way to cease the practice ie stop it. We will introduce a red card system from the beginning of January 2018 whereby anyone found cheating will immediately be redcarded for four weeks. The decision of Dottie will be final!

Happy New Year
